FOREWORD

Higher education institutions play a key role in the transformation of society and development with prosperity. Thus, the Government of Nepal has placed higher education as one of its priorities. The quality of higher education and its relevance to the market and producing human resources depends on the education system of the universities. The University Grant Commission (UGC) is an apex body of higher education, which has been improving and promoting the quality of education by making strategic and tactical plans.

Kailali Multiple Campus (KMC) was established in 2037 as a community campus, after MoU with Far Western University on 3 Magh 2077, now it is a constituent campus of Far Western University. In the last four decades of its establishment, it has set several landmarks in the educational history of not only Sudurpaschim province but the country as a whole. The selection of KMC at the national level by the University Grants Commission for granting international accreditation is the latest example of its success. Based on its historical performance, this campus was selected in 2008 by the University Grants Commission (UGC) through a national competition for participation in the Quality Assurance and Accreditation (QAA) process. On Jestha 29, 2069, UGC held an Institutional Accreditation Award Ceremony and awarded the QAA Certificate. Thus, KMC is among the first few campuses in Nepal to get QAA certification. A new milestone was added in the history of Kailali Multiple Campus in December 2015, when the campus was ranked number one by UGC among the 60 community campuses of Nepal selected for the Higher Education Reform Project (HERP) under the assistance of the World Bank.

The Education Management Information System (EMIS) report includes records of programs, faculties, and departments, students' enrollments, gender parity index, teaching and non-teaching staffs, students teacher ratio, graduate information, examination and result analysis, financial aspect of campus, research and publications, library and learning resources, and scholarships.

R Bhatta

ACKNOWLEDGEMENTS

Firstly, we would like to thank the campus chief Prof. Toya Raj Bhatta, and the entire executive members of the Kailali Multiple Campus, for believing us for the activities of the Education Management Information System (EMIS). Further, the entire EMIS team is thankful to campus administration, teaching and non-teaching staff, who have supported us in the process of data accumulation and management. Specially, we would like to acknowledge Dr. Rajendra Bir Chand for insisting and supporting to prepare the EMIS report. Mr. Bal Krishna Joshi and Mr. Tirtha Rawal, employees of the account section, Mr. Tejendra Shahu staff of the administration section, and Mr. Pushpa Raj Upadhyaya employee of the exam section are thankful for their support in the accumulation of data.

Finally, thanks to all the supporting hands who have directly and indirectly supported to prepare the EMIS report.

Dr. Prayag Raj Joshi
Coordinator
Education Management Information System
Kailali Multiple Campus

R Bhatta

EXECUTIVE SUMMARY

Brief introduction of Kailali Multiple Campus (KMC): Creating a region imbued with an academic culture was the public dream of Kailali District, and they did their best effort for establishing the Kailali Multiple Campus then Kailali Commerce Campus (KMC) to achieve it. KMC, established in 1980 as a single commerce campus in the region that would concentrate on meeting the need for highly qualified and competent manpower to meet the regional as well as national increasing demand for higher education, is a pioneering educational institution of Nepal. Owing to the good quality of education and convenient location from all districts of Sudurpaschim Province, the student pressure has been overwhelming over the years for higher education. The population of Kailali District largely comprises native *Tharus* and migrated people from different districts of Sudurpaschim Province and other parts of Nepal. At the request of the people of Kailali, the late King Birendra granted 27 bighas of land in the eastern part of Dhangadhi Town where the campus premises are located at present. Financial and other resources required for the establishment of the campus were raised locally. Over the years, KMC has emerged as a nationally recognized institution in the history of higher education in Nepal. Kailali Multiple Campus has set several landmarks in the educational history of Nepal in the last four decades. In 2045 BS, the campus was declared the best private campus of Nepal by Tribhuvan University and was awarded a cash prize of 145 thousand rupees, and the campus was recently awarded as the best business school in Sudurpaschim Province by the renowned Business Age magazine of Nepal. The students of this campus have received gold medals several times for their excellent academic performance in examinations. After the campus was handed over to Far Western University by the Management Committee of KMC in January 2021, the campus has been operating by the rules and regulations of the university. Based on its historical performance, this campus was selected in 2008 by the University Grants Commission (UGC) through a national competition for participation in the Quality Assurance and Accreditation (QAA) process. After several monitoring and evaluation visits, UGC decided to accredit it. On Jestha 29, 2069, UGC held an Institutional Accreditation Award Ceremony and awarded the QAA Certificate. Thus, KMC is among the first few

← R Bhatta

campuses in Nepal to get QAA certification. A new milestone was added in the history of Kailali Multiple Campus in December 2015, when the campus was ranked number one by UGC among the 60 community campuses of Nepal selected for the Higher Education Reform Project (HERP) under the assistance of the World Bank. This institution gained the award of QAA re-accreditation in 2018, and now it is in the process of the third cycle of QAA re-accreditation. It intends to be a prestigious government campus with its commitment to fulfilling the needs and achieving the targets of higher education envisioned by the Government of Nepal. To evolve the campus to be an educational hub of Far West Region through continued focus on academic excellence, and program extension in technical and non-technical disciplines.

Programs, faculties, and departments: Kailali Multiple Campus has been operating bachelor and master programs in six streams: Management (bachelor and master), Humanities (bachelor and master), Education (bachelor and master), Science and Technology (bachelor), Law (bachelor), and Natural resource management (bachelor). There are 6,781 students in the academic year 2021/22. Among them, the majority of the students are girls, EDJ, *Dalit*, and *Madhesi*. All together there are 14 programs: MBA, MBS, BBS, BBA, BBM, BALLB, BA, BSW, B.Ed., B.Ed. CSIT, BSc., B.Sc. CSIT, M.Ed., and MA. Similarly, there are 95 teaching and 25 non-teaching staff to support the operation of the institution.

Student Enrollments: The enrollment of students for an individual program could be reduced. However, the total number of students has been increasing, in the last five years period. There were 6,008 students for the year 2017/18. Similarly, 6,236 students were for the year 2018/19, for the year 2018/19 there were 6,597 students, for the year 2019/2020 there were 6863 students and for the year 2021/22 there were 6,781 students. The addition of the new programs has supported to increase in the number of students.

Gender Parity Index: In the last five years period girls (students) are higher than fifty percent. In the year 2017/18 girl students are 52 percent of the total students. Similarly, in the year 2018/19, they are 56 percent, in the year 2019/2020 they are 53.9 percent, in the year 2020/2021 they are 53.06 percent, and in the year 2021/22 they are 63.26 percent of the total students. The reason behind that could be that male students are going abroad for study and jobs.

R Bhatta

Teaching and Non-teaching Staff: KMC is renowned for its qualified, experienced faculty members and administrative staff. It has currently 75 (55 permanent and 20 full-time contract teachers) full-time teaching staff and 22 part-time teachers supported by 25 administrative staff (3 officers and 22 non-officer levels). At present, 21 faculties have had Ph.D. Degree; 16 of them have had an MPhil Degree.

Student-Teacher Ratio: The teacher-student ratio is 73 students per teacher if we consider all teaching staff. Considering the permanent and full-time contract teachers the teacher-student ratio is 90 students per teacher and considering only the permanent teachers the teacher-student ratio is 123 students per teacher which is high in comparison to national and international teacher-student ratio.

Graduate Information: In the last five years period more than 2500 students have graduated from this institution. In the year 2016/17 total number of students who graduated was 631. Similarly, in the year 2017/18, there were 398 graduated students, in the year 2018/19 there were 695 graduated students and in the year 2019/20 there were 600 students who graduated.

Examination and Result Analysis: In the last five-year period in total 2,864 students graduated from bachelor and master levels. Among them, around 48 percent of students are female, around 21 percent of students are EDJ and around two percent of students are *Dalit*.

Financial Aspect of Campus: The student fee, bank interest, and financial support from the UGC and Nepal Government are the major sources of income. The student fees used to be more than 80 percent while it was a community campus. However, after being a constituent campus it is around 60 percent of the total revenue. The student fees have decreased after 2074/75 BS till 2079/80 continuously.

Research and Publications: The innovative initiatives are carried on in two ways: the first one is creating a platform at home and another is collaborating with other institutions and persons. Within the organization Research Management Cell (RMC) of Kailali Multiple Campus, facilitating the research activities. It has been conducting research-based activities to enhance the academic culture of the institution. Since 2012, it has been publishing KMC Journal twice a year (February and August). KMC

Journal is a multidisciplinary peer-reviewed open-access journal indexed in NepJOL with DOI. Only the research-based articles by scholars and academicians from home and abroad are published in the journal after the rigorous process of publication. Moreover, RMC calls for research once a year from the faculty members focusing on collaborating work with the peers or the students. In 2022 April 1-2, RMC organized the first national conference on Modern Research in Education, Society, Management and Science in which 68 papers were presented by researchers from seven universities. The papers presented at the conference have been published in KMC Journal, Volume 5, Issue 2 (August 2023) after the rigorous process of double-blind peer-review and editing. It aims to organize such national and international conferences once a year. The RMC organized a second national conference entitled, Research Trends in English Language Education on 6th and 7th January 2024 in collaboration with Kathmandu University at Kailali Multiple Campus. For conferences, a highly furnished and well-equipped hall has been set up with a capacity of around 150 participants.

Library and Learning Resources: KMC has separate administrative and library blocks. On the ground floor, there is a sophisticated library divided into a general section, a reference section, an e-library, and a student reading section. From the general section, the students can borrow the books for their use, where more than 60 thousand books are available. Similarly, in the reference section, the students can read the reference books. If they want to search for some reading material from the internet, they can use e-library.

Scholarships and Free Ships: AS per the rules of Far Western University 25 percent of students get scholarships. Furthermore, physically challenged students have the opportunity to get an education free of cost. Some students get scholarships from other sources such as UGC, other bodies of the Nepal Government, and other supporting organizations.

KAILALI MULTIPLE CAMPUS: A BRIEF INTRODUCTION

1.1 Background

Creating a region imbued with an academic culture was the public dream of the Kailali District, and they did their best effort for establishing the Kailali Multiple Campus then the Kailali Commerce Campus (KMC) to achieve it. KMC, established in 1980 as a single commerce campus in the region that would concentrate on meeting the need for highly qualified and competent manpower to meet the regional as well as national increasing demand for higher education, is a pioneering educational institution of Nepal. The Campus is an autonomous and not-for-profit organization established solely to provide higher education to the people at affordable cost. At present, more than 6994 students are studying in the Campus. In terms of student enrollment, KMC is one of the largest constituent campuses of Far Western University of Nepal. It is running bachelor-level programs in management, humanities, education, science, law, and computer science and master-level programs in the faculty of management, education, and humanities.

There was no constituent campus in Kailali District till 2016, KMC has been the first institution of higher education in the district. Owing to the good quality of education and convenient location from all districts of Sudurpaschim Province, the student pressure has been overwhelming over the years for technical education. Along with the increase in the number of students, continuous efforts are being made to add new subjects, and teaching staff and develop infrastructure. Ten years ago, all of the infrastructures of the campus were funded through local resources. In the recent past (2009-2014) during the Second Higher Education Project (SHEP) the campus received a matching fund grant and a performance grant from University Grants Commission. Similarly, a three-storied library building was built with the fund of the UGC Nepal along with the enrichment of science and computer laboratories. Recently two buildings for the provision of running programs of engineering are under construction with the fund of the National Planning Commission. A mega hall that can incorporate 1000 people at a time is being constructed. A three-roomed building for running B.Sc. Forestry courses and the building writing center guest, rooms are almost complete.

1.1.1 History and Current Status

KMC is located in Dhangadhi, the temporary headquarters of Sudurpaschim Province. The population of Kailali District largely comprises native *Tharus* and migrated people from different districts of Sudurpaschim Province and other parts of Nepal. Kailali District is one of the most backward districts of Nepal with little infrastructure base and a poor state of educational facilities which is evident from the fact that before the establishment of KMC in 1980, most of the students of this region had to go to Kathmandu or India for further studies beyond SLC.

The absence of educational opportunities after SLC created an urgent social demand for the establishment of a campus in the district. The people of Kailali thus took the initiative for the establishment of a campus. As a result, Kailali Commerce Campus which was later renamed as Kailali Multiple Campus was established in 1980. At the request of the people of Kailali, the late King Birendra granted 27 bighas of land in the eastern part of Dhangadhi Town where the campus premises are located at present. Financial and other resources required for the establishment of the campus were raised locally. Over the years, KMC has emerged as a nationally recognized institution in the history of higher education in Nepal.

Kailali Multiple Campus has set several landmarks in the educational history of Nepal in the last four decades. In 2045 BS, the campus was declared the best private campus of Nepal by Tribhuvan University and was awarded a cash prize of 145 thousand rupees and the campus was recently awarded as the best business school in Sudurpaschim Province by the renowned Business Age magazine of Nepal. The students of this campus have received gold medals several times for their excellent academic performance in examinations. Since its foundation four decades ago, KMC has prepared thousands of students who are serving all aspects of life. Starting with commerce stream classes in 1980, the campus has expanded both in terms of adding new programs and physical infrastructure since then.

After the campus was handed over to Far Western University by the Management Committee of KMC in July 2021, the campus has been running with the policies and laws of the university. The MoU between Kailali Multiple Campus and Far Western University making it a constituent campus was signed in January 2021.

1.1.2 QAA Certification

In the last four decades of its establishment, KMC has set several landmarks in the educational history of not only Sudurpaschim province but the country as a whole. The selection of KMC at the national level by the University Grants Commission for granting international accreditation is the latest example of its success. Based on its historical performance, this campus was selected in 2008 by the University Grants Commission (UGC) through a national competition for participation in the Quality Assurance and Accreditation (QAA) process.

To obtain QAA, KMC prepared a Self-Study Report (SSR) and submitted it to UGC for assessment. After several monitoring and evaluation visits, UGC decided to accredit it. On Jestha 29, 2069, UGC held an Institutional Accreditation Award Ceremony and awarded the QAA Certificate. Thus, KMC is among the first few campuses in Nepal to get QAA certification.

1.1.3 Top Ranking Among the Community Campuses

A new milestone was added in the history of Kailali Multiple Campus in December 2015, when the campus was ranked number one by UGC among the 60 community campuses of Nepal selected for the Higher Education Reform Project (HERP) under the assistance of the World Bank.

1.1.4 Vision, Mission, and Goal

Vision

Kailali Multiple Campus intends to be a prestigious government campus with its commitment to fulfilling the needs and achieving the targets of higher education envisioned by the Government of Nepal. Shouldering that responsibility, the campus is committed to academic excellence in higher education by providing access to educational opportunities in different branches of knowledge to the people and it promises to continue efforts to make excellence in science and technology. More than 70 percent of students come from disadvantaged areas of the Far West Region comprising the *Dalits*, the *Tharus*, and children from poor families.

Mission

The mission of Kailali Multiple Campus is to provide affordable access to higher education in different disciplines for the people of the Far West and the country. To evolve the campus to be an educational hub of the Far West Region through continued focus on academic excellence, program extension in technical and non-technical disciplines, and continuing to be an accredited institution of higher education in Nepal.

Goal

To achieve the mission, the campus will strive to achieve some specific strategic goals such as:

- program extension in line with the educational demands of the Far Western Region,
- continued efforts toward quality education and all-round development of the students,
- maintain accreditation status,
- improve internal efficiency,
- achieve sustainability by expanding the financial resource base, and
- maintain its status as a socially responsible educational institution cementing good relationships with the community.

1.2 Academic Programs

Kailali Multiple Campus has been attempting to provide the demanded education of the society considering its infrastructure and human resources. This institution was established as a commerce campus in 2037, later on, it was expanded as a multiple campus by adding programs of humanities, and education. Similarly, the education of science and technology was added later on. After being a constituent campus of Far Western University, it has added the Faculty of Law and Faculty of Natural Resource Management. At present the campus offers the following academic programs of Far Western University and Tribhuvan University.

Table 1**Academic Programs**

Bachelor of Science (B.Sc.) 4 th year	4 years	Annual

Note: The programs of Tribhuvan University are being phaseout, so the students of 4th year and 7th semester have been studying

1.3 Faculties /Administrative Staff of Kailali Multiple Campus

KMC is renowned for its qualified, experienced faculty members and administrative staff. It has currently 75 full-time teaching staff and 22 part-time teachers supported by 25 administrative staff (3 officers and 22 non-officer levels). The University administration is found serious about settling manpower adjustment in our college. The process of integration of all faculties in the university is in process. At present, 21 faculties have had Ph.D. Degree; 16 of them have had MPhil. Degree.

The college is prestigious for its qualified, experienced, and professional teaching and non-teaching staff. KMC has currently 55 permanent teachers, 20 full-time contract teachers 3 temporary full-time teachers supported by 22 administrative staff.

SECTION 2

RECORD OF STUDENT

2.1 Total Students and Enrollments

Kailali Multiple Campus has been admitting students in both systems: alight-based and mass-based. In general programs such as Bachelor of Business Studies (BBS), Bachelor of Arts (BA) Bachelor of Education (B.Ed.), Master of Business Studies (MBS), Master of Arts (MA), and Master of Education (M.Ed.) students are admitting based on mass-based system. However, in special programs such as Bachelor of Business Administration (BBA), Bachelor of Business Management (BBM), Bachelor of Science (BSc.), Bachelor of Computer Science and Information Technology (BSc. CSIT), Bachelor of Arts Bachelor of Laws (BALLB), and Master of Business Administration (MBA) students are admitting based on alight based system. From 2018/19 to 2022/23 the admission trend of students has increased, and the highest number of students are in 2021/22. This year Tribhuvan University postponed the exams but Far Western University took online exams and upgraded the students into the next semester. So, in that particular year, we had one more batch of students. Therefore, in that year the number of students was highest and then came to normal. The details of the students are presented in Table 6.

Table 6

Total Student (Program Wise / Level Wise): From 2018/19 to 2022/23

Level	Program	2018/19	2019/20	2020/21	2021/22	2022/23

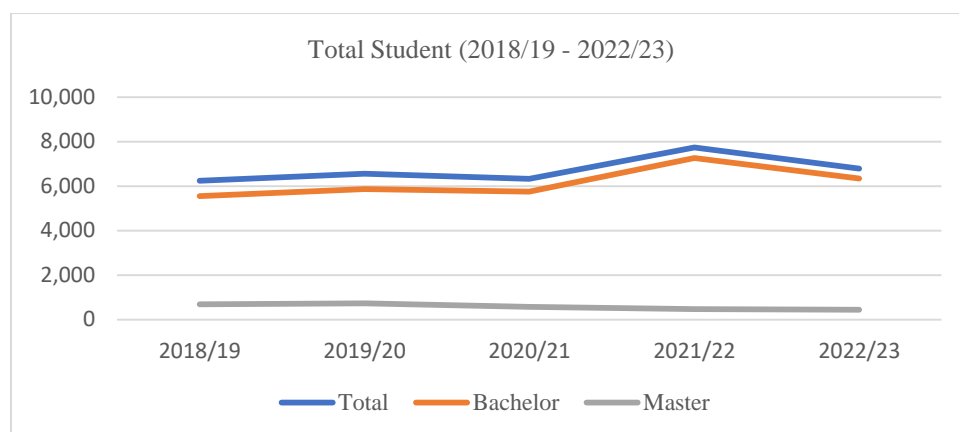

Figure 1
Enrollment Trends of Students (2018/19 to 2022/23)

The total number of students is between six thousand to eight thousand. The number of total students was increasing at a low rate up to 2020/21, in the year 2020, Tribhuvan University postponed regular exams, but Far Western University took online exams and upgraded the students. Therefore, in that particular year, there was one more batch of students and resulting increase in the number of students. The number of students at the master level seems decreasing throughout the five years (2018/19 – 2022/23).

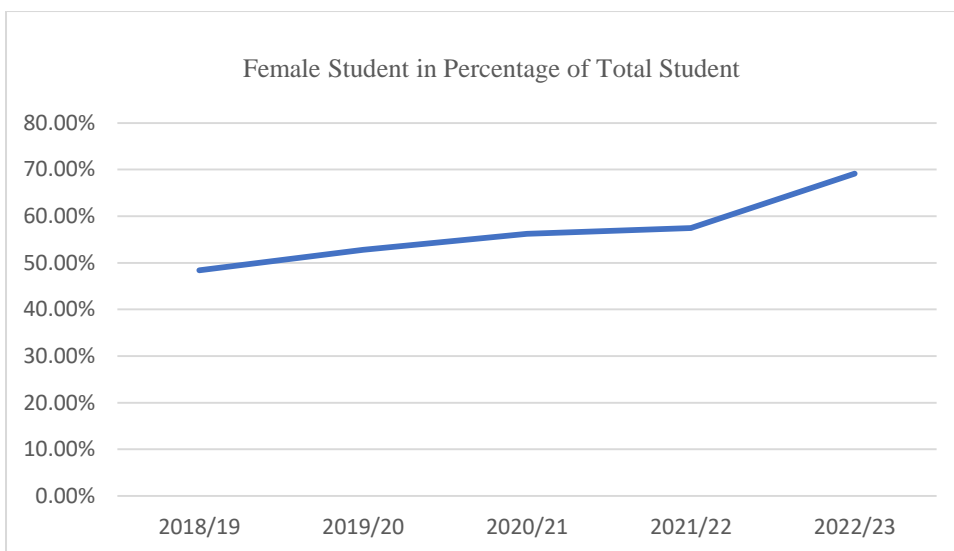

Figure 2

Female Student in Percentage of Total Students (2018/19 to 2022/23)

The number of female students has been increasing throughout the five years (2018/19 -2022/23). It was less than 50 percent of total students five years ago and it is around 70 percent in 2023. This implies that the number of female students is increasing, especially in the Education Faculty the number of female students is higher than other faculties. The increasing rate is low before 2021/22, and then after the rate of increase is high.

Table 8

Proportion of Female, Educationally Disadvantaged, Dalit, and Madhesi Students of Total Students for the Period 2018/19 to 2022/23

Year	2018/19	2019/20	2020/21	2021/22	2022/23
Female	3,482	3,556	3606	4551	4188
EDJ	1,618	1,796	1733	1751	2174
Dalit	219	255	283	317	348
Madhesi	26	20	25	33	30
Total Female and Educationally Disadvantaged Students	5,345	5,627	5647	6652	6362
Total Students	6,236	6,597	6324	7739	6781
% of Female and Educationally Disadvantaged Students	85.71	85.30	89.29	85.95	93.82

Sources: Administrative record of Kailali Multiple Campus

The proportion of female, EDJ, Dalit, and Madhesi students out of the total has remained between 85 percent to 94 percent. Five years ago, they were around 85 percent, after five years in 2022/23 they were around 94 percent, which is the highest proportion. The proportion of female, EDJ, Dalit, and Madhesi students are more than 85 percent throughout the five-year period. The line graph has been presented in the figure 3 below.

Total Students Enrolled	2095	2477	2034	1987	1500

Sources: Administrative record of Kailali Multiple Campus

The enrollment trend of student seems increasing up to 2020 and declining after that, which is in between 1500 to 2500. However, the total number of students have been increasing. This is because in the year 2020, and 2021 there were high number of students enrolled and now they are still students of the campus. So, the total number of students seems increasing.

The campus has been operating bachelor and master programs. The students are mostly from the Sudurpaschim Province. Among them around one-third students are from the same district (Kailali) and around two-third students are from other districts of Sudurpaschim Province. There are only two students are from India.

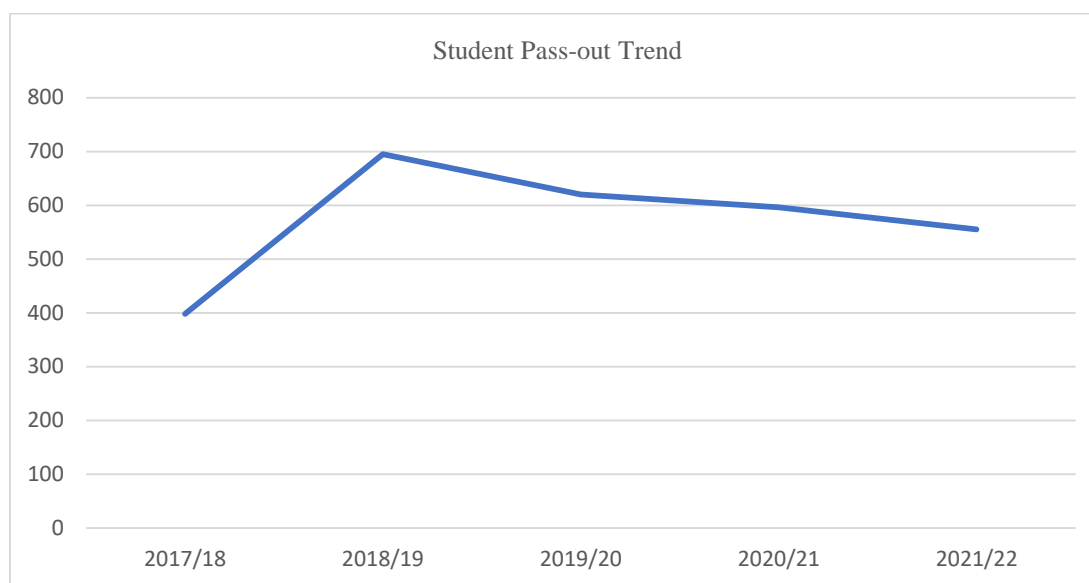

Figure 5

Students Pass-out Trend

The annual pass-out of trend of the student has increased in the year 2018/19 and then it has decreased throughout four-year period. The number of students was 398 pass-out during the year 2017/18. Similarly, 695 students were graduated in the year 2018/19, the number of students graduated in the year 2019/20 was 620, the number of students graduated in the year 2002/21 were 596, and the number of students graduated in the year 2021/22 were 555. The yearly detailed pass-out record of the students has been presented in the following table.

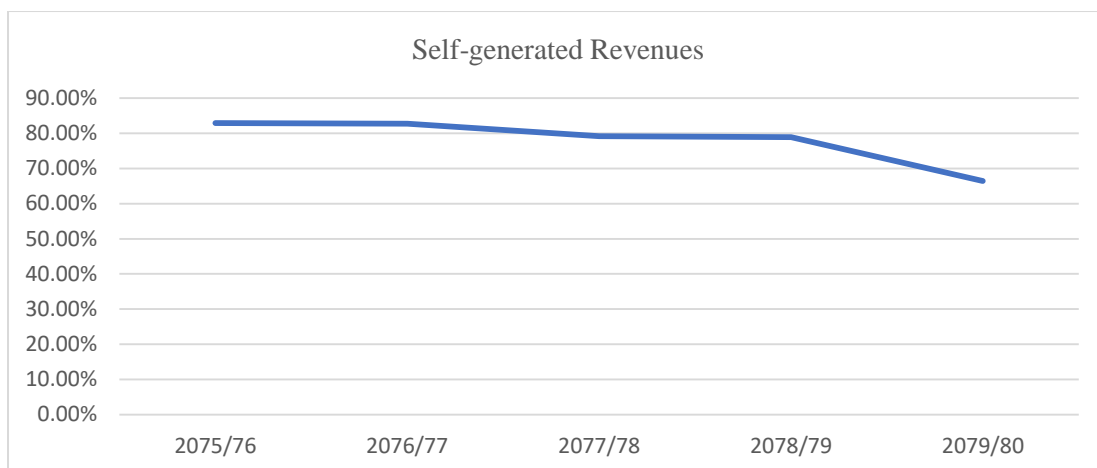

Figure 6

Self-Generated Revenues

The self-generated revenue was more than 80 percent of the total revenue while it was community-based campus, after being constituent campus the portion of self-generated revenue has been decreasing gradually. It was around 83 percent of the total revenues in the year 2075/76 and it reduced to 64 percent of total revenue in the year 2079/80.

Table 13

Grants from Government 2075/76 – 2079/80

F/Y	UGC	Other government bodies	Total Grants	Self generated	Total Revenue	% of Grants
2075/76	29,750,000	1,350,000	29,750,000	202,872,240	232,622,240	12.79

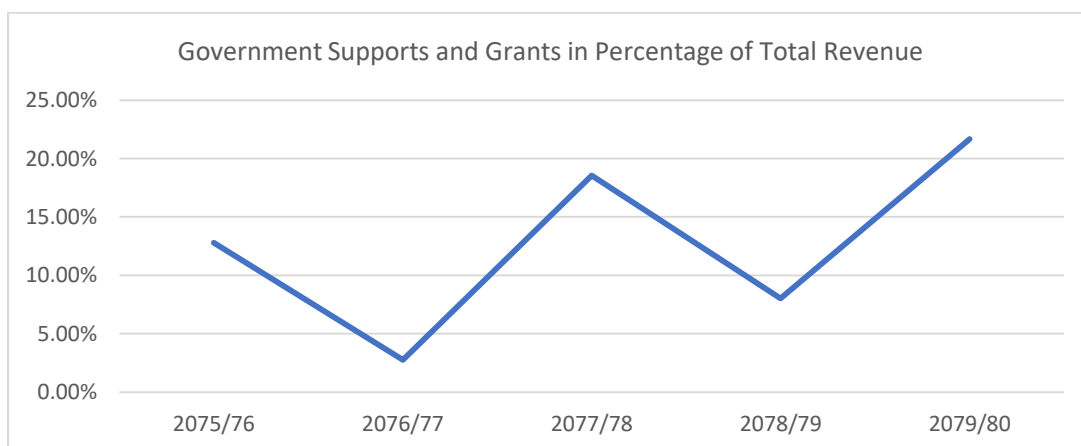

Figure 7

Government Support and Grants in Percentage of Total Revenue

The government support and grants were around 13 percentage of the total revenues

RBhatta

in the year 2075/76 BS. It decreased to around 3 percentage of the total revenues in the year 2076/77, and then it increased to around 18 percent of the total revenue. Then it decreased to 8 percentage of the total revenues in the year 2078/79. It increased to around 21 percent of total revenue in the year 2079/80.

Table 14
Recurrent Expenses of 2075/76 – 2079/80

F/Y	Salaries	Others recurring expenses	Total recurring expenses
2075/76	84,719,009	35,667,882	120,386,891
2076/77	89,903,231	28,143,761	118,046,992
2077/78	83232183.55	26865865.66	110,098,049.21
2078/79	104064404.67	20560297.81	124,624,702
2079/80	121094436.42	12693860.66	133,788,297

Sources: Sources: Account Section of KMC

The total recurring expenditure was more than 120 million in the year 2075/76. Similarly, it was more than 118 million in the year 2076/77, in the year 2077/78 it was more than 110 million, in the year 2078/79 it was more than 12 million, and in the year 2079/80 it was more than 133 million. The major portion of recurring expenditure is salaries, which is more than 80 percent of the total recurring expenditure.

Table: 15
Capital Expenditures of 2075/76 – 2079/80

F/Y	Major infrastructures development	Equipment	Books	Program Expansion	Total
2075/76	2,295,674	4,204,380	1,423,737	1,870,000	9,793,791.00
2076/77	32,887,236	2,140,762	733,717	32,887,236	35,761,715.00
2077/78	5061471.10	7467870.78	659710	5,061,471	13,189,051.88
